

## **2026 Earn Community Leaflet – funded by Perth & Kinross Council Green Living Fund**

*Earn Community Council received funding from the Green Living Fund to produce a "What's On Community Leaflet" providing a vital resource for new & local residents in the Earn community – Bridge of Earn, Aberdalgie, Craigend, Dron, Forgandenny, Forteviot and Rhynd.*

*Questions often asked by new/local residents are "Where to find out what's on?" - 'Who to contact?' – "Where/how to register for a GP/Dentist?" You may have other questions?*

*Being able to address these questions directly in a leaflet, will provide residents with valuable information that encourages them to engage with the community and access necessary services effectively.*

*Whilst we have local social media pages, noticeboards and more recently a community webpage (earncommunity.co.uk), a paper format is still a valuable tool for effective inclusive engagement, particularly for individuals who may lack access to digital resources or are less comfortable with technology.*

*Earn Community Council propose to create an A3 folded "What's On" leaflet (being A6 when folded -pocket size or similar) detailing our community groups, etc.*

*We are also happy to hear from anyone within the community who may be interested in the first design of the leaflet or help in bringing this valuable piece of community information to life.*
